More Tributes from 2018 & 2019

Dear friend,

January 29, 2019

I am so sorry that in the last newsletter I missed two very important memorial tributes. In addition to Shirley A. Noble and Bruce Burke, I failed to mention our dear sister Chassidy Collins Lowe. Chassidy came into our lives several years ago when the Lord led her and our Wayne-Pike CEF committee member Steven Lowe to each other. Chassidy's warm smile and pleasant demeanor always blessed me. Chassidy was a special blessing to our camp ministry. She enjoyed being with the children and especially in helping them with their crafts. We really missed her this past summer.

Also, embarrassingly, I missed Marilyn Wargo's passing in early December. Marilyn had a great burden to reach children with the gospel. She hosted 5-Day Clubs which she did for the past five years excluding this past summer. Seven children made salvation professions at the 5-Day Clubs she held at her house from 2013 – 2017.

Lastly, I would like to mention a dear friend of mine Bob Schaffer. Bob passed away in early January. In years past, if you drove by the Wayne-Pike CEF office and wondered who did the beautiful landscaping, it was Bob. I appreciated him so much, not just for what he did at the office—he was a great friend whom I enjoyed visiting from time to time. In the last three years, the office exterior has looked rather poor and run down. If you have a green thumb and would like to take on the ministry of beautifying our property, please let me know.

Sincerely,

Bob Longenecker
