Tributes from 2018

We said goodbye to some dear saints and friends of our ministry this year. The first was Shirley A. Noble who faithfully and generously supported our ministry every month for the 28 years I have been here and many years prior to my coming. The second was Bruce Burke who was a great friend over the these many years. His burden for sharing the gospel with the lost was always a great inspiration to me.

Sincerely,

Bob Longenecker
