## *Memorial Tributes from the Past Year*

We said goodbye to some dear saints and friends of our ministry this year. The first was my good friend Bob Schaffer of whom I wrote a tribute in the February 2019 newsletter.

The second was Roger Dillmuth who generously supported our ministry for many years. When he sold his insurance business he donated a number of pieces of office furniture to our office. Roger **always** wore a big smile—the thing I'll always remember most about him.

Next we said good-bye to Betty Howry who was the faithful wife of former Wayne-Pike CEF committee member and volunteer released time class teacher Ed Howry. Since Betty's passing, Ed has moved to New Hampshire to live with his son.

The last one to mention is Betty Lowe. I could easily fill a page with memories of dear "Aunt Betty" as she was known by children. When I arrived here over 29 years ago, the only ministry being conducted by Wayne-Pike CEF was not even in our counties—not even in our state. "Aunt Ruth" and Bob Glossenger along with "Aunt Betty" faithfully went to the school in Narrowsburg, NY every week for years to teach the children there about Jesus. My first trip to Narrowsburg with them was September 25, 1990. Every week I would go to the Glossenger's house, and from there, we would drive to Beach Lake and pick up Betty. Then we would cross the Delaware River into NY. We did this until the school closed in 2005. Betty also was a big help in our camp ministry. I marveled at her patience with some very challenging children over the years. I miss her very much.

Sincerely,

*Bob Longenecker*
