July 2, 2020

Dear friend,

Yes, we are having camp this summer. Unfortunately, we are not able to have our Pike County camp this year, but we can have camp at Camp Timberledge, and we will need your help. Perhaps you cannot physically help at camp, but there are other ways to help us with camp this year.

First of all, you can pray. Pray that there is no increase in corona cases and deaths in our counties. Pray that God will protect all of the staff and campers from any virus spreading at camp. Pray for sufficient staff to cover the extra needs this year. Finally, ask God to put it in the hearts of parents and children to want to come to camp and not be squeamish about catching something.

Secondly, because of the corona virus and all of its ramifications, we have decided not to charge anything for campers to attend. So, you can help by sponsoring a child. We normally ask for \$35/camper at Beach Lake. That covers \$15 for the camp and \$20 for snacks, crafts, prizes, etc. Enclosed is form to indicate how many campers you would like to sponsor. Because of cautions necessary to curtail any spreading of viruses, we can only allow 36 campers/week. If the response is really good, we may have to add a second week of camp.

Thirdly, we would love to have you physically help at camp. We need adults to interview children, to be team leaders, and to help with sanitizing things used by the campers. We need mature teens to help the team leaders keep control of the children, escort them to the bathrooms, etc. If the Lord has laid it on your heart to help us out this year please let us know and we will send you an application and proceed with background checks. Mandatory orientation will be held on July 23.

This year in our camp we have a western theme I call **Courageous Christians** – Rough and Tough for Jesus. If ever there was a time for Christians to have courage it is now.

Sincerely,

Uncle Bob
