School-Year Ministries Conclude

Our school-year ministries have concluded for the year. It has been a fairly good year for ministry. We did lose a Good News Club early in the year due to lack of interest by the children. There were 185 children enrolled in our clubs and classes this year of which 20 made salvation professions. In addition to Audrey and Sarah, there were eight other Bible teachers and 16 others who taught memory verses, missionary stories, or provided general help. Three people generously donated bus transportation for released time classes.

At right, Miss Sarah teaches a new song to the children at our Wallenpaupack South Elementary School Good News Club.

One week ago we held our staff appreciation luncheon. The attendees were not only treated to a delicious all-you-can-eat pizza meal, but were also treated by Pastor Dan Baker's challenge from God's Word regarding rewards promised to Christians who serve God in various ways.

The following day, Audrey & Sarah drove to Harrisburg to attend a Keystone Course on teacher training. They both passed the course which is a good thing since Audrey has done most of the teacher training here in our counties since Bob lost his voice.

"Camperships"

Just as scholarships allow many students to attend schools they could not otherwise afford, so our "camperships" allow children to come to camp in the summer if their families cannot afford it. Last year we had a wonderful response to our campership fund and no child was turned away because they could not afford to pay for camp. We have included a response slip with this letter if you would like to help children come to camp this summer. Our Pike County Camp is \$20 per camper. Our Beach Lake camp is \$35 per camper.

Summer Ministry Needs

Summer ministry will soon begin. At this writing, we have no prospects for summer missionaries. All those we thought were going to apply fell through. Audrey & Sarah said they would teach the 5-Day Clubs this summer if we did not have any other missionaries to do the clubs. Of course, we would like to have a full slate of 5-Day Clubs scheduled before going to Summer Missionary Training School in June. Let us know if the Lord has burdened you to reach the children in your neighborhood this summer through a 5-Day Club. We also need adult and mature teen volunteers to be team leaders and general helpers in our day camp ministries. Please give us a call if you are able to host a 5-Day Club and/or help in one of our camps.

Summer Schedule

Beach Lake Camp – July 8 – 12
Pike County Camp – July 22 – 26
5-Day Clubs – June 24 – 28
July 15 – 19; August 5 – 9
