## School-Year Ministries Conclude

Our school-year ministries ended abruptly in mid-March due to the COVID-19 outbreak. We never even got to tell the children goodbye which was heartbreaking for our teachers and helpers who love the children in their classes/clubs very much. We are so thankful for the opportunity to teach children in our clubs and classes and are happy to report to you that this year of 27 made salvation professions. In addition to Audrey, Sarah, there were seven other Bible teachers and 18 others who taught memory verses, missionary stories, or provided general help. Three people generously donated bus transportation for released time classes.

### “Zoom” to the rescue.

Zoom meetings came on the scene just in time to salvage a little of what was lost with the COVID-19 outbreak. It is being used by churches, CEF of EPA for staff meetings, and by Audrey and Sarah to continue a ministry to the children who got short-changed by the virus. Every weekday twice a day they have a zoom lesson for the children who want to participate.

### Tentative Summer Schedule

Pike County –  
July 13 – 17

Beach Lake –

5-Day Clubs—Any time other than the two weeks of camp

## Summer Ministry Needs

Summer ministry will soon begin. We hope it will be a traditional summer of ministry, but at this point only the Lord knows for sure. One thing for sure is there will be no Summer Missionary Training School and therefore no summer missionaries. By the end of next month we should have a good idea if we will be able to have our camps. Audrey and Sarah are willing to get out and teach some 5-Day Clubs if it is permissible. If it is impossible to do our traditional summer ministries, please join our CEF of EPA staff in prayer as we look for “no contact” ways to reach children with the gospel. However, assuming the best, please let us know if the Lord has burdened you to reach the children in your neighborhood this summer through a 5-Day Club. We also need adult and mature teen volunteers to be team leaders and general helpers in our day camp ministries. Please give us a call if you are able to host a 5-Day Club and/or help in one of our camps.
