October 25, 2017

Dear Friend,

It has been very busy trying to get all of our classes and clubs started this year. With the exception of John Kornbau, who is now in Ireland, all our teachers and helpers have returned this year. And we also have one new teacher and one new helper for which we praise the Lord. It has been very gratifying to get back into the schools and teach children God's Word again this year. While you pray for our staff and the children they teach, I ask you to pray for the school administrators and teachers as well.

Please use the following chart to pray for our school-year ministries.
