Dear Friend,

What a year this has been! Isn't it amazing what one little microscopic virus can do? If you aren't saved, you haven't seen anything yet. Just wait until the tribulation when diseases will kill billions of people. All the more reason to pray for revival and to be preaching the gospel everywhere we go especially to the young ones who need to be spared from that awful time. While you pray for our staff and the children they teach, I ask you to pray for the school administrators and teachers as well. As of this writing, we are still not in the Delaware Valley and the Western Wayne School Districts. Pray for the following school district superintendents, their staffs, their teachers, and all of their students, that God will protect them from getting the corona virus: Delaware Valley S.D. = Dr. John Bell; Wallenpaupack Area S.D. = Mr. Michael Silsby - started two weeks ago; Wayne Highlands S.D. = Mr. Greg Frigoletto - started yesterday; Western Wayne S.D. = Dr. Matthew Barrett - considering opening up to us soon.

Please use the following charts to pray for our school-year ministries.
