ANNUAL HARVEST REPORT

Dear Friend,

August 31, 2018, marked the end of another year of ministry. The statistics to the right are a testimony to the faithfulness and goodness of God. Forty-one children made professions in our ministries this year. We are certainly thankful for all of you who had a part in reaching the children of Wayne and Pike counties with the good news that Jesus saves. Some taught or helped in a released time class or Good News Club while others served as summer missionaries. Some provided bus transportation so that children could get from their school to a church where they were taught God's Word. Many could not go into the field; however, you prayed and gave funds to support those who could go. For whatever part you had, we thank you.

School-Year Ministries to begin soon

We are eager to get back into the schools to teach God's Word to the children. Fliers for Good New Clubs and released time classes will soon be going home with children. Pray that children will not lose the fliers before they get home and that parents will want their children to participate in our programs. We praise God for all our volunteers especially those who are teaching or helping in more than one class or club. Also, we praise God for those who provide bus transportation for our released time classes. Please pray earnestly for an overall increase in attendance this year.
