## SUMMER MINISTRIES REVIEW

Our summer ministries concluded August 10. It was a good year in many respects. Thankfully we were able to bus the children from the western part of Wayne County out to Beach Lake for camp. Thank you, Joann Mignerey for starting an hour early and ending an hour later every day. It turned out to be a real blessing having only two weeks of camp rather than our normal three.

First of all, it was a blessing to me personally because of the lack of physical strength due to my Lyme Disease. Secondly, it allowed us to move our first camp back a week without having to do back-to-back camp weeks which we thought was going to be necessary. Lastly, it really made our Beach Lake camp worth while. By that I mean, most of the children at Beach Lake camp came on the bus from western Wayne County. Since we pay Camp Timberledge (Beach Lake camp location) \$3.00/camper/day, I did not want those who already paid for our South Canaan camp to have to pay an additional \$15. This leads me to the last point.

Thanks to many generous donors to our "Campership" fund, we could easily do the above. In fact thirty-four children were able to come to camp without paying a penny. With camp registrations being a good bit lower than normal, I called the families of children who attended in past years to find out why they did not register for this year. When they said they just couldn't afford it this year, it was such a blessing to tell them not to worry about the fee and just come; their way had been paid.

Sincerely, *Bob*

### Memorial Gifts

**Gertrude Conklin**  
by Nancy Schweinsburg

**Tim Gillow**  
by Keith and Josie Madden  
by Gerald and Chuckie Marsh

**Franklin Piercy**  
by Lillian Piercy

**Shirley A. Noble**  
by Shirley B. Noble  
by Philip and Rebecca Noble

**Wendy Schmitt**  
by Linda Schmitt

### Congratulations to

**Katie Amorine**  
for completing  
Winners Course 1

**A special acknowledgement:**  
**Sarah Halloway** was an incredible blessing this summer as she assumed the position of camp coordinator. She made manuals for every camp worker from the camp director to the activities director. As camp coordinator, she was the "up front" person for most everything at camp which saved Uncle Bob's poor voice from really straining.

### Fall Dinner

Please see the enclosure and plan to join us at the Central House on Friday evening, October 5.

Please note: RESERVATIONS ARE REQUIRED BY **FRIDAY, SEPTEMBER 21.**
