SUMMER MINISTRIES REVIEW

Our summer ministries concluded rather early this year – August 2. In spite of the fact that we had fewer children in our camps and 5-Day Clubs than in previous years, the Lord had worked through our summer staff to bring 13 children to make professions of faith in the Lord Jesus Christ.

Thanks to many generous donors, twenty-nine children were able to come to camp without charge. We would have had fewer campers without those gifts. With camp registrations being much lower than normal, I called the families of children who attended in past years to find out why they did not register for this year. Many said they just couldn't afford it this year. It was such a blessing to tell them not to worry about the fee and just come; their way had been paid.

Sincerely,

Bob
