Don't Be Weary

During our school-year activities the gospel is taught through various lessons (Joseph, Moses, Thanksgiving, Christmas, etc.). In some of the classes our workers encountered children that were uninterested, and/or disruptive. At times, said workers would get discouraged and even frustrated because of these distractions. However, we should not despair but remember that the Word encourages us in Galatians 6:9 “...let us not grow weary while doing good, for in due season we shall reap if we do not lose heart.”

The children have heard and will continue to hear the gospel regardless of any and all opposition. Let us be encouraged and know that our work is not in vain. Because of the faithfulness of our promised Saviour, we can continue to trust Him, obey His Word, teach His Word, and wait.
