Jesus, the Light of the World

During the month of December, the dark woods are transformed with the glowing of Christmas lights, the houses beaming with decorated Christmas trees. Having light shining in the darkness is a wonderful thing; it drives away fear and gives you a comforting feeling. However, Christmas lights are temporary; soon they'll be taken down, stored away and the darkness, the fear and discontent return.

But there is a Light that is eternal, it is year-round, drives away the darkness forever, and removes fear completely. This Light gives us true joy and everlasting peace, this Light is Jesus; not to light up the woods or give a warm glow in a house, but to light up our lives and transform our hearts for eternity.

John 8:12

Then Jesus spoke to them again, saying, "I am the light of the world. He who follows Me shall not walk in darkness but have the light of life."

We are extremely blessed by your continued support through your prayers, encouraging words and your finances. Your gifts help us to continue sharing the Glorious Light of Jesus with the boys and girls, who then share it with those around them. May the riches of Heaven continue to pour into your life and flow into the lives of others.
